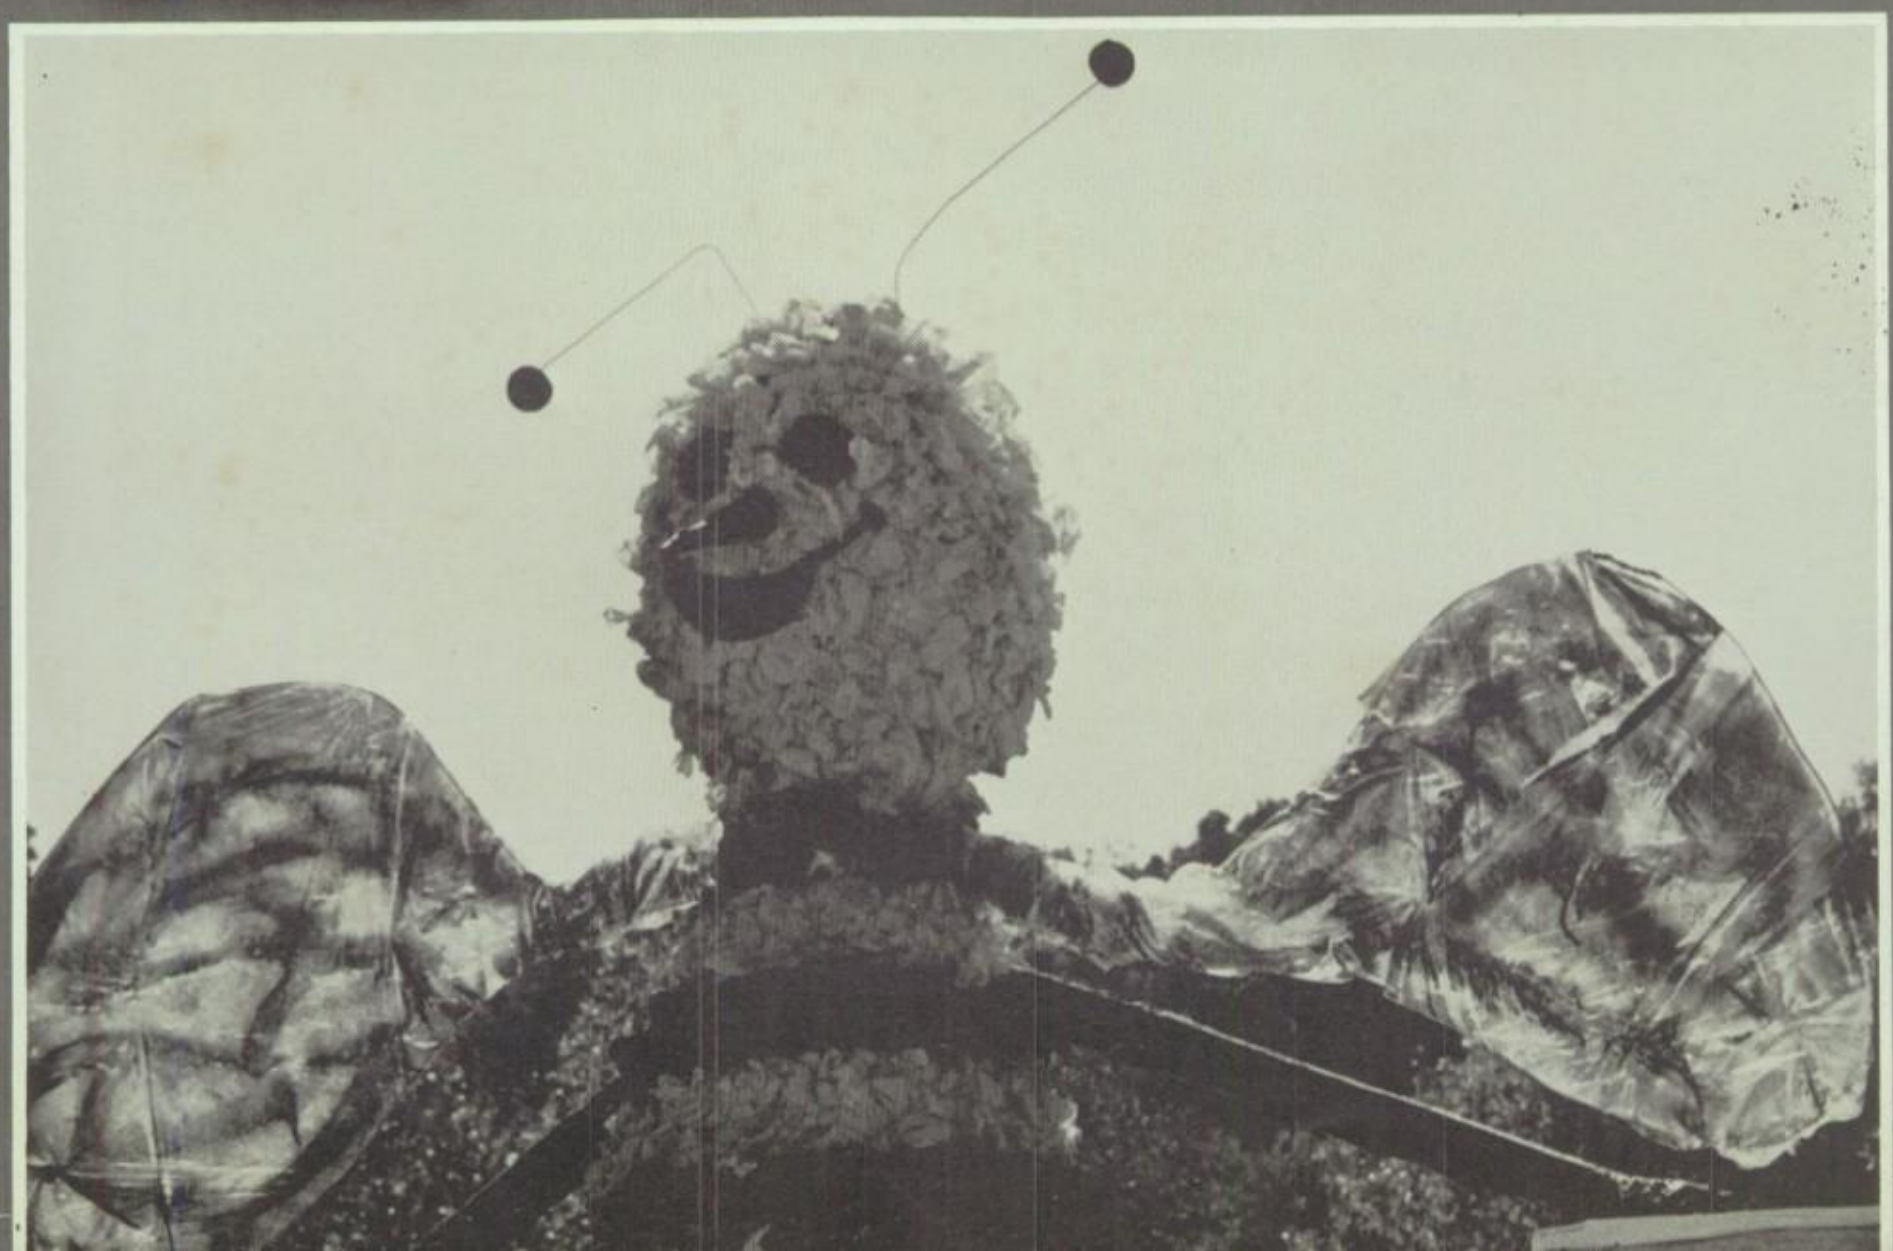
Spirit Is Everywhere

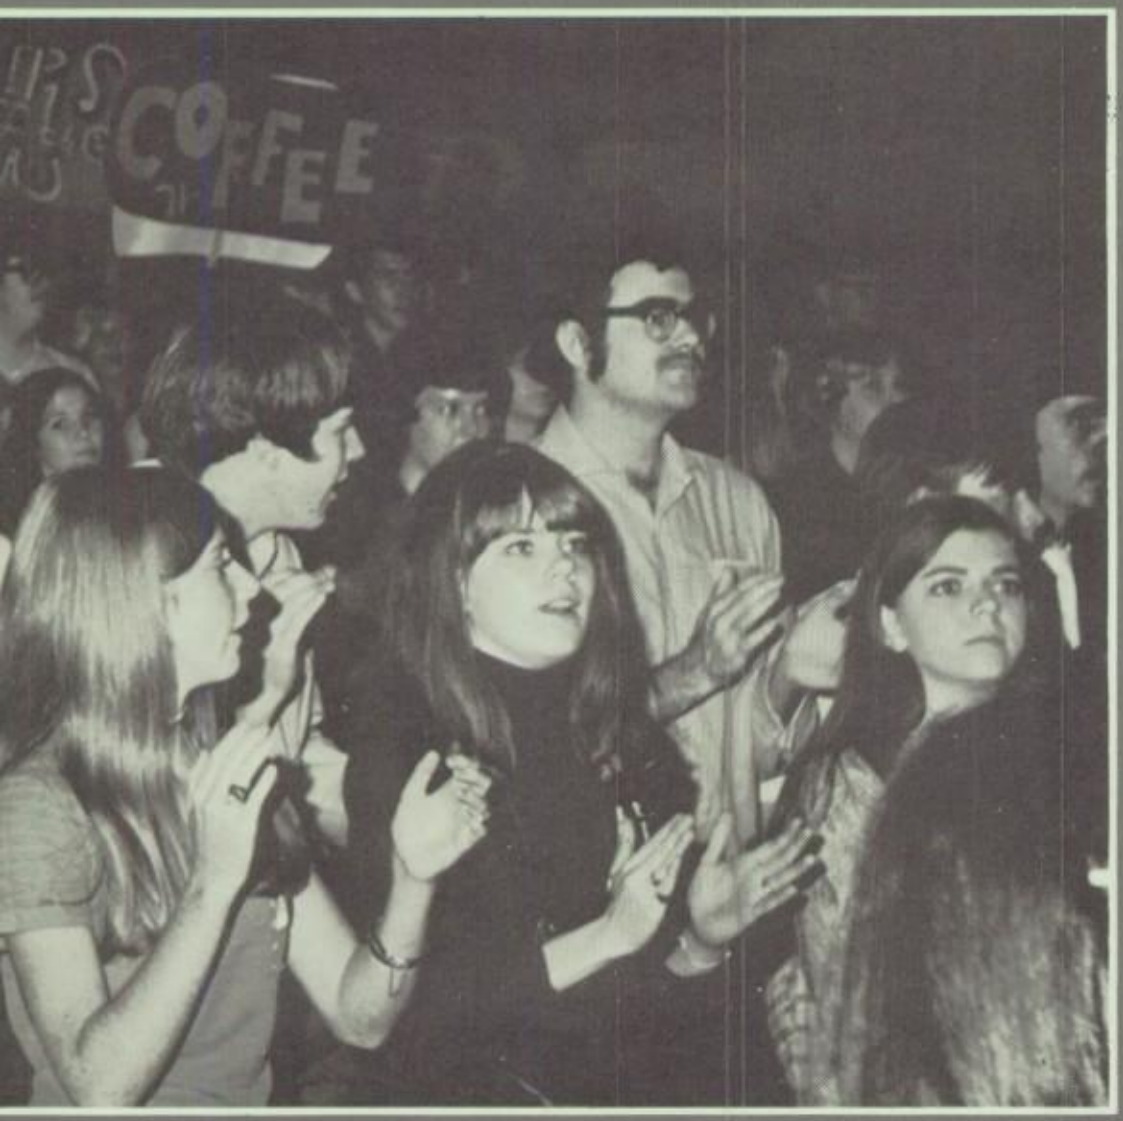
From the beginning, Coffee High has been noted for its inexhaustible spirit. This steadfast foundation supports a spirit now running at a higher pitch than ever. It may be that activating feeling which urges a student to spread the contagious vitality of a pep rally, but each student retains his own meaning of spirit.



To many others, spirit secures a vital role in tradition. These students cherish the numerous traditional events which are the very essence of the being of Coffee High.

CHS
CHS

Spirit is reflected in each face as thunderous cheers resound throughout the building. Exuberent cheers initiate a spirit that even gains momentum as it races down the hall. Spirit is eager participation to continue the vigorous perkings of Coffee High . . .



. . . . . or that swelling pride when the band plays the Alma Mater. Pride is the reflection of spirit.

Dedication

Your tradition and spirit has offered us an important part of our heritage. You have been one of the most influential institutions to this point in each of our lives. Under your code of scholarship and learning we have grown both spiritually and intellectually. From your halls we step forth better prepared to make beneficial contributions to our world.

May we always hold fast to the high standards and ideals you have symbolized in the past and hope that your future will be an even greater success.

Aware of the tremendous influence you have had on our lives, we dedicate the 1971 "COFFEE POT" to you—Coffee High School.

Hail to thee our Alma Mater

On our city's northern border,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword
Conquer and prevail,
Hail to thee our Alma Mater
Coffee High all hail.

Cherished by her sons and daughters,
Sweet the memories throng—
Round our hearts, our Alma Mater,
As we sing this song.

Forward ever be our watchword
Conquer and prevail,
Hail to thee our Alma Mater
Coffee High all hail.

"Look to this day for yesterday is already a dream and tomorrow is only a vision." Yes, we the Seniors looked with expectation to this day. Now that graduation is finally here we realize the day is truly a dream come true. Thinking back we remember the dreams of our first pep rally, homecomings, and class rings. But now we know our dreams must end as visions of the future begin.

Visions of college, careers, and marriage must be faced. Will we reach our goals? We think so.

The Class of '71 hasn't failed yet.

Boy and Girl of the Year—Terry McElheny and Sigrid Levi

Delegates to Alabama Boy's and Girl's State are priviledged to spend one week of the summer between their junior and senior years learning about our government. Young people from all over the state are chosen by their faculty to receive instruction emphasizing leadership on the national, state, and community levels. Spending a day at the state capitol in Montgomery concluded the week's actvities.

Chosen by the faculty as Boy and Girl of the year for 1970 were Terry McElheny and Sigrid Levi. Outstanding leadership and service to Coffee are qualifications for this award.

This year, Coffee's National Merit Scholar is Susan Baughn. Susan's achievement in this nationwide testing program is a great accomplishment and an honor.

National Merit Scholar—Susan Baughn

Idella Crittendon—Drug Abuse Contest Winner

Cathy Williams—Miss Citizenship

Idella Crittendon represented Coffee at the National Drug Abuse Contest. Idella placed first in the Alabama Contest which made a trip to Washington possible.

Sponsored by the Daughters of the American Revolution, Cathy Williams was chosen as Coffee's Miss Citizenship of 1970.

With the highest score on a written test sponsored by Betty Crocker, Kathy Mitchell won the title of Homemaker of Tomorrow.

Kathy Mitchell—Homemaker Award

The junior who maintained the highest cumulative scholastic average for his three high school years was presented a medal. Receiving the award for 1970 was Sigrid Levi. Sigrid also won the award for the highest math and science average. The winner of the sophomore scholastic award for the same year was Lyman Mitchell, while the recipient of the award given to the freshman was Jorie Roberts.

Homecoming 1970

Homecoming 1970 was a part of the tradition of Coffee. Nearly every student participated by spending much of his time organizing, planning, and working to prepare for the Homecoming activities honoring the class of '36-'37.

Early October sixteenth, many students rushed around carrying crepe paper and tape in order to decorate cars; others put the final touches on class floats. When line-up began, excited students climbed into crowded cars proudly bearing signs reading "LONG LIVE COFFEE". The Homecoming court was seated atop the float of huge blue-petaled flowers. The parade ended much too soon for those in charge of dismantling the floats. But weary students returned to Coffee excited for the night's activities yet to come. The thrill of the football game and the inspiring crowning ceremony climaxed weeks of preparations, all of which are long to be remembered.

Beauty Pageant and Talent Contest

The Coffee Pot Annual Staff and the Student Council sponsored the 1971 Beauty Pageant and Talent Contest on February 20. After an exciting week of practice, Coffee students presented an evening of entertainment for a large audience. The beauty contestants, representating various organizations, met with the judges while other students presented their talent ranging from rock'n roll to gymnastics. The judges returned with their decisions—Alan Schulman had won first place in the talent and Diane Fenn received the title "Coffee Pot Top Beauty."

Spirits soar as Juniors realize that next year they will be upperclassmen, the leaders in the great traditions of the school. The class of '72 must now give thought to questions concerning the future—questions about college, jobs, and life in general.

New enthusiasm sparks the Junior as he determines that the Senior Class of '72 will be the best that Coffee has ever known. The Junior class is not one of mediocre quality; it is one possessing great leadership and producing persons of immense integrity. Prepare yourself, Juniors, to prove what you can do as the leaders of the school.

The Sophomore is mature and responsible, no longer the happy-go-lucky Freshman of last year. With his newly achieved status comes an even exchange—the forfeit of carefree leisure hours. He looks to his junior year with high expectations. At this half-way mark, the Sophomore is more aware of the world around him. His established goals are set high. As his wisdom increases, so does his pride in Coffee. He participates enthusiastically in all aspects of sports, giving support to his fellow Sophomores who now appear on the football and basketball teams.

As the Freshman enters Coffee he enters a new world. A world which consists of more responsibilities and more freedoms. Although he is thought of as helpless and frightened he is more than able to cope with this new experience.

As time goes by he learns his way around the campus, making new friendships and renewing old ones. He joins in Coffee's many activities. Clubs and sports become an important part of many Freshmen's lives. He takes part in the pep rallies and the Homecoming activities, thus truly becoming a part of Coffee. The next year he moves on to the next grade, making room for a new class of Freshmen.

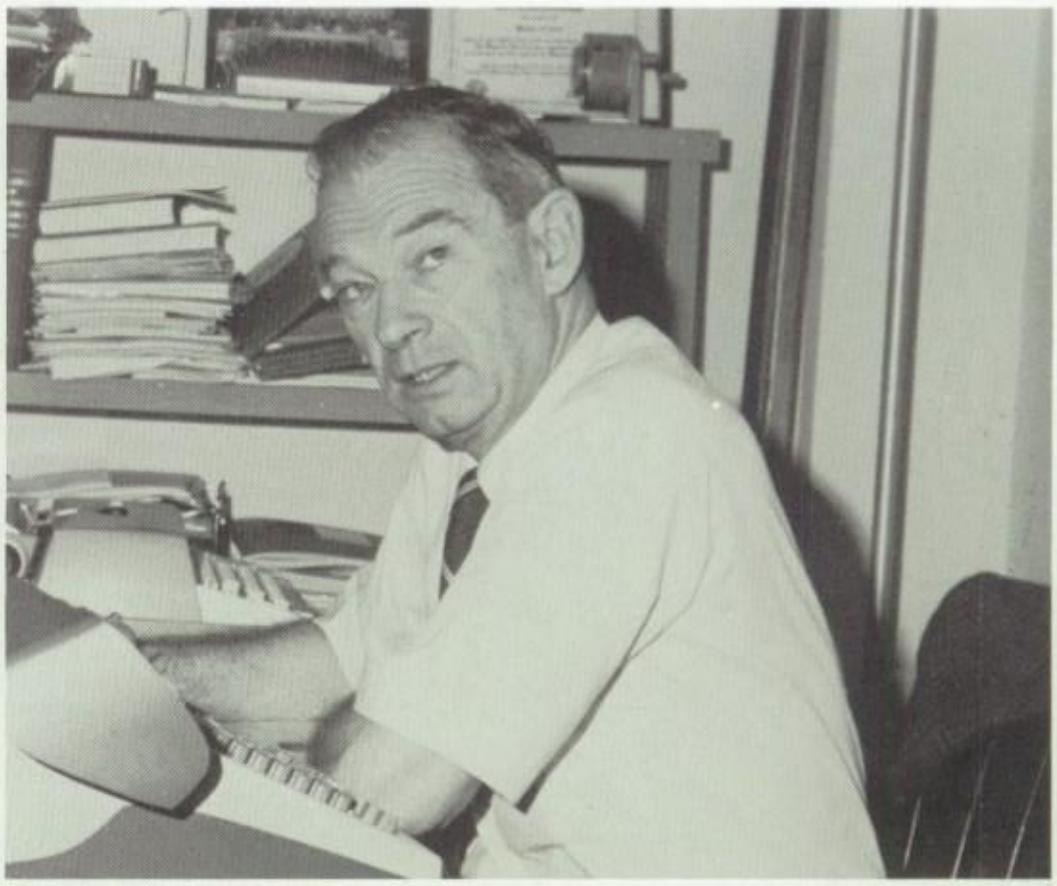
Guidance

Mrs. Thelma Robinson—Guidance Counselor, Freshman Cheerleader Sponsor



Mr. Jack Scarborough—Guidance Counselor, Key Club Sponsor

The Guidance Counselors provide the knowledge necessary to assist students in wise planning. Underclassmen receive advice on selecting courses and help in rearrangement of schedules. Seniors are especially benefited by assistance with college applications. The counselors are always willing to listen to and help solve problems.

Typing, telephone answering and bookkeeping are a few of the duties of Coffee's secretaries. These tasks along with numerous others make up each hectic work day. To these competent, helpful ladies, we give a much deserved thank you.

Mr. Billy Ray Warren—Director of Curriculum

Secretaries

Mrs. Greta West, Mrs. June Baughn

Mr. Ralph Smith

Four years ago the Class of 1971 was introduced to a principal who, like all of us, then, was new at Coffee. During this time we have come to know and appreciate him.

Mr. Ralph Smith encounters each day a host of problems of which most students are not aware. Still he maintains a constant interest in our ideas. He is always ready to discuss each individual's problems. Mr. Smith has offered new privileges as recognition of our acceptance of responsibilities. He is a man able to act with competence and composure when the well-being of one person or the whole student body is at stake. He is also able to be firm when firmness is demanded of his position.

Most important to us, he always wants what is best for Coffee High School and her students.

Mr. Joe Grant

Coach Grant, the assistant principal, has the respect of Coffee students, not just because of his position but because of his continued fairness and concern. His quiet, dignified manner has a calming effect on tense campus situations.

Certainly his work is a necessity in the operation of Coffee.

Norman Hill—English III, F.T.A. Club Sponsor

English students, after four years of study, are well prepared for college or for various professions. Literature and grammar open numerous channels of thought to arouse interest in each student.

Students who identify themselves in the field of writing are induced by journalism. Journalist of Coffee are the backbone of the "Stimulator."

Speech students become confident and comfortable speakers through panel discussions, short speeches, and various other practices.

History Government

Our heritage comes alive with vivid tales of the past. The Declaration of Independence and the Constitution no longer seem to be old, worn-out documents as teachers enlighten students on the subject. With the study of other countries, students have a better understanding of foreign affairs. We learn in these courses, a meaning in the past and a hope for the future.

Mrs. B. J. Godfrey—World History, World Geography, Honor Society Sponsor

Mrs. Elizabeth McDonald—American History, Student Council Sponsor

Mrs. Joan Carringer—Alabama History, Freshman Class Sponsor, Cheerleaders Sponsor

It has been a pleasure and privilege to have you in our English I class.

Ruth Scarborough

Language

Although these courses are not required, they form an essential part of the Coffee curriculum. Students are offered a choice of three foreign languages—Latin, Spanish, and French. If interested, students may take three years of a particular course. With the aid of films and tapes, teachers provide a general knowledge as well as a better understanding of other cultures. Just ask any foreign language student if this is true and they will answer you either ita, si, or oui.

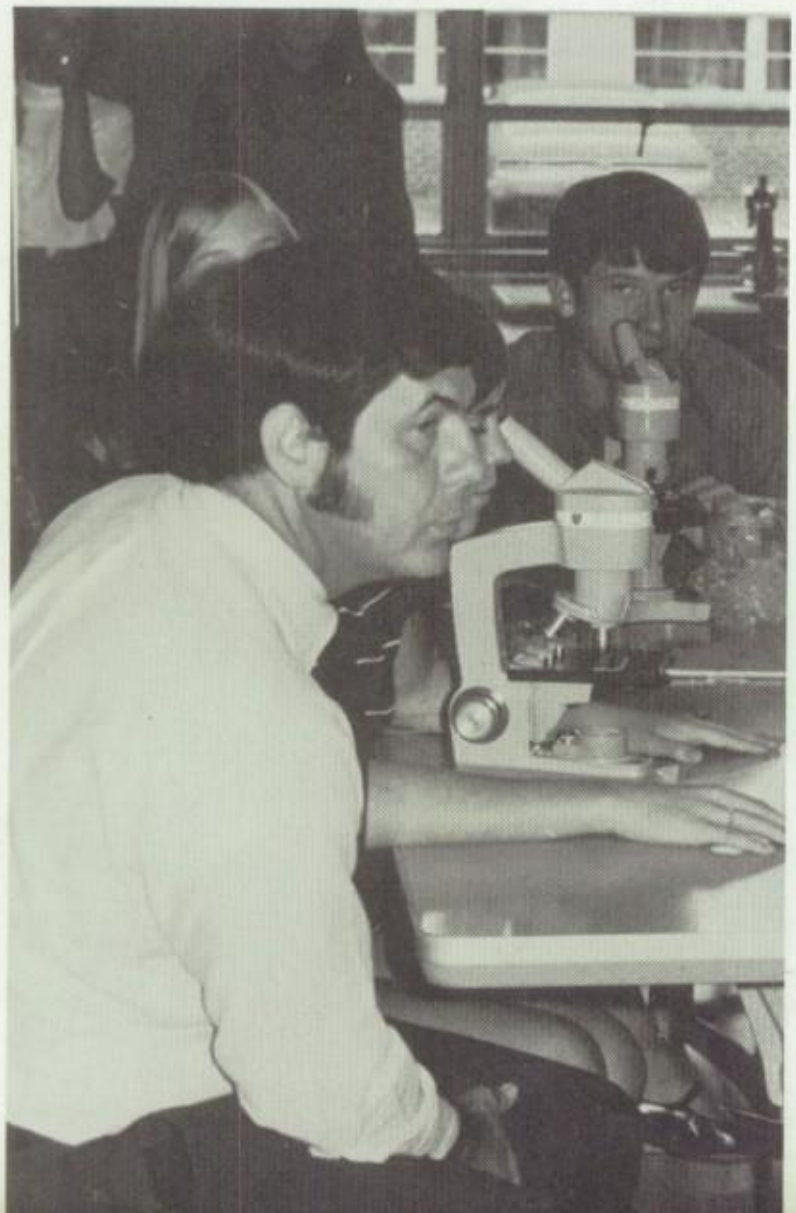
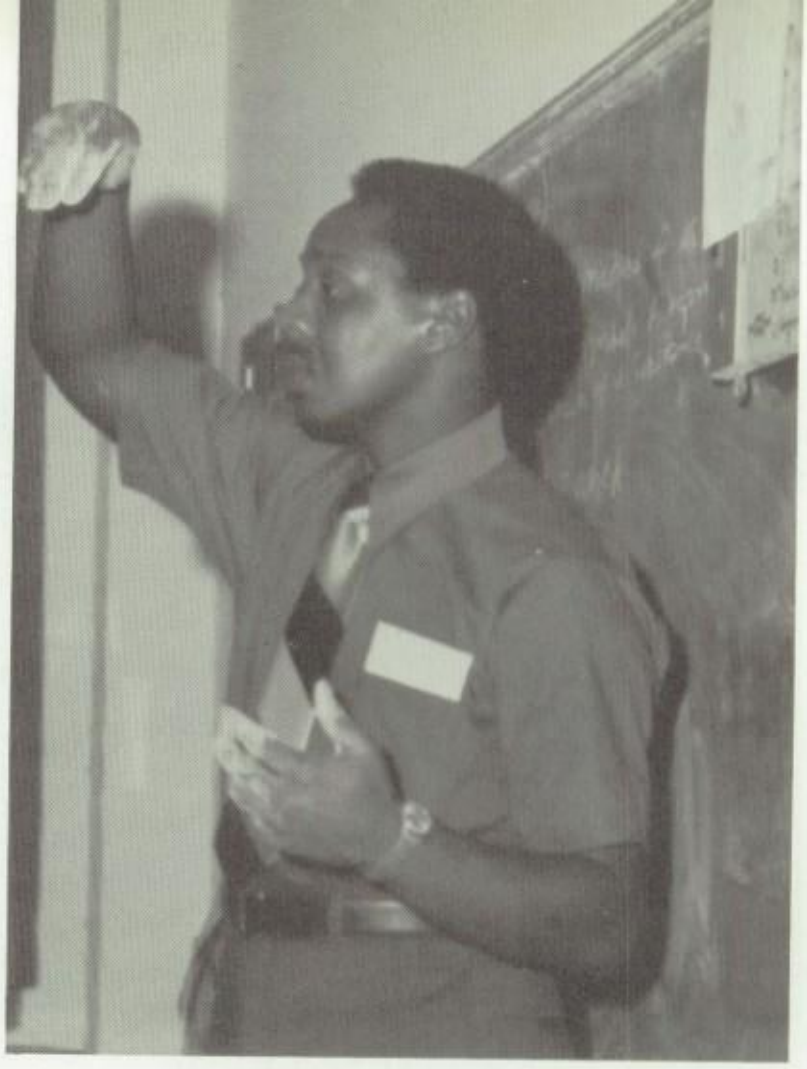
Science

Charles Gooch—Psysiology and Psychology, Physical Science; Junior Class Sponsor





Emmitt Jimmar—Chemistry, Physics, Science Club Sponsor

Students gain an unforgettable experience in the science classes. Biology students, who learn the systems of various animals and insects, have the unique opportunity of disecting worms, frogs, and crayfish. While psychology and psysiology students participate in class discussion about human behavior and anatomy, pollution is a familiar topic in the physical science classes. Chemistry and physics students also acquire lab techniques.

Mrs. Frankie Bridges—General Science, Future Medics Club

Mrs. Joseph Hollis—Algebra II

Thomas Ashcraft—General Math, Senior Class Sponsor

Mathematics

The mathematics program here is varied and progressive. Courses are offered ranging from the simplest to the most difficult. Your mind learns to work logically and to organize facts so that solutions to seemingly impossible problems may be found. The satisfaction upon proving a particularly difficult identity is truly great for the gourdheads in Coach's classes.

Cooperative Training

The cooperative training department at Coffee enables juniors and seniors to gain experience in the occupation of their choice. In the afternoon many students leave the campus to continue their studies in various fields of leaning. Through these jobs the students seem to foster a deep respect for the dignity of work.

Room 132, that's where it's all happening—Mrs. Beaver is teaching the art of drafting. Her mechanical drawing students are mastering the art of sketching and drawing orthographic projections while the architectual drawing classes are beginning to style their own future dream homes.

Meanwhile over in the shop Mr. Huckaba is spending his time showing his shop students how to use various power tools and work with wood. Some boys have already built several things such as gun racks, chest of drawers, and other useful items.

Next door to the shop Mrs. Hitchcock is teaching many forms of art. This year of the many projects the art department has accomplished the art show and their wall murals in the gym were outstanding.

Physical Education

Physical Education plays an important part, not only in the Coffee curriculum, but in the health of each individual. This year, physical education has been stressed more than ever as new coaches joined the staff. One who is especially well coordinated and interested can find himself on one or more varsity sports teams. For girls who are interested in strengthening their muscles and learning graceful movements, a gymnastics class is available.

Music

Various musical programs are the interest of many students. Band is one of the most important traditions of Coffee. Not only do those people playing instruments get a swelling of pride, but those who listen to the Alma Mater do also. These band students are rewarded for marching in the hot sun and getting frozen fingers by knowing that they have accomplished a job well done. The Coffee High chorus also works many hours rehearsing in order to perform for the public, but while practicing, many happy memories are experienced.

Student assistants are often unglorified but continue to spend their time working hard as assistants to teachers. Guidance assistants help Mr. Scarborough and Mrs. Robinson with their tedious office work. Office assistants answer phone calls and run various errands for the secretaries.

Library assistants give students aid as well as the librarians. They also help teachers with record players and films. These assistants are truly important in the function of the school.

Student Council

Terry McElheny—President
Steve Haddock—Treasurer
Lyman Mitchell—Vice-President
Alan Long—Secretary

The Student Council is an active organization the whole year round. From the summer months of tentative plans for the next year, to the school year full of Student Council sponsored activities. The council is composed of every student in every grade at Coffee. One does not join, but automatically becomes a member by enrolling as a student

Representatives are chosen from each homeroom to serve as spokesman. However, all students who wish are invited to attend meetings and take part in discussion and planning. The Student Council encourages a sense of individual responsibility and attempts to further a spirit of unity among students.

The Student Council's contribution to the Christmas spirit was a colorfully decorated tree in the cafeteria and the traditional wreath and candles on the front of the school.

To promote spirit, the Student Council sold streamers during football season. The council also puts out the Student Directories.

Student Council Sponsors Activities

This year the Student Council sponsored a visit of the Red Cross Bloodmobile publicizing the visit through local newspaper and the radio stations. Students were asked to collect cards for donations. The effort was termed a success.

Pictured here is Debra Kennedy and her family. Special recognition was given to Debra by Mr. Smith for her family's participation in the blood drive.

Before Christmas holidays the Student Council sponsored a canned food drive in all the homerooms. Coffee students brought two-thousand cans of food.

Marcia Walker, Sam Minor, Terry McElheny, Cory Fulmer, and Salvation Army representative.

Mrs. McDonald and Mrs. Darby have both been sponsors of the Student Council for many years. Their reliable help and advice has been appreciated.

The Student Council and Coffee Pot Staff combined sponsor the annual talent show and beauty contest. Terry Tedder, Sigrid Levi, and Terry McElheny are pictured making plans for the events which were held February 20, in the auditorium.

As it is the job of the Student Council every year, Homecoming was under the supervision of this group with nearly every student taking part in some way. Many worked on floats, planning councils, and various committees. With the theme, "Long Live Coffee", this Homecoming was said to be the best yet.

National Honor Society

The National Honor Society is not a club, for membership is based on the individual student's merit. The selections for members are made by the faculty from those students who have made an 87.5 scholastic average twice each year. An evaluation of each candidate's general participation and meritorious contribution in the school is made before the final selection. Sometimes not every deserving student becomes a member as membership is limited. Ten percent of the senior class is inducted in the fall ceremony. Five percent of the senior class and five percent of the junior class are tapped during the spring.

Membership in the Honor Society is a goal of the studious student. The ceremony for induction is impressive to all the student body. The four symbolic candles, ceremoniously lighted, dramatically and brightly shine for those things for which they stand—service, leadership, scholarship, and character.

Government Club

The purpose of the Government Club is to cultivate interest in American government and to show students their guaranteed rights. Through speeches and discussions on our government and current events, this purpose is achieved. Students also learn that the basic freedom of all men is to express oneself on all matters.

Business Club

Members of the business club put into practice skills they learn in class. Skills that are vital to succeed in the highly competitive business world are among those learned. Economics, public relations, and how to balance a ledger are of equal importance to the future secretary, banker, or salesman. The Business Club helps students gain confidence in their ability to make decisions and manage business affairs. Learning to get along with others in a group is another valuable lesson learned in the club.

Coffee High Drama Club Presents:

"Harvey"

Much time, hard work, many people, cooperation among the actors—all are essential parts of a production such as that given by Coffee's Drama Club. One might think that the many hours required of the actors and crew are too few in comparison to the few hours spent on the stage. This is not true. An actor feels the greatest satisfaction upon delivering his lines well.

This change of identity is probably the most difficult part for an actor. Character takes much more work than memorization of lines and cues. "Get in character!" and "Don't drop out of character if you forget a line!" become as familiar as Hello and good-bye. An actor finds himself reacting to things at school as his counterpart would instead of the way he himself would. With the last curtain call comes the realization that every minute was worth it.

So many people do so much with so little, if any, credit. Yet a play wouldn't be possible without someone to ring the doorbell or to dim the lights. Without the makeup crew, a sixteen year old would never pass as a sixty-five year old lady. These people and others are at least half of the production.

New friends, a few tired muscles, a new found confidence in oneself, are results of a production such as "Harvey".

Modern Language Club

The Modern Language Club is composed of French students and Spanish students. The combined groups learn much about the countries they are studying and about other foreign countries as well. Each student gains much knowledge through the club. There are varied programs at meetings, including showing of interesting films.

AFS Club

The American Field Service Club seeks to bring different countries closer together through exchange programs. Scholarships are provided for a student from another country to attend school here for a year, and American students may choose a country in which to study.

Coffee did not have an Exchange Student this year, and the club's chief activities were centered around promoting interest in A.F.S. to find a "family" with which the student can make his or her home. Three Foreign Exchange students who attend schools in Alabama were guests of the Coffee AFS Club for a day and visited classrooms at each school.

Junior Recreation Board

Coffee students are indebted to the hard-working group that plans activities providing them with a place to go. Members of the Junior Rec Board meet with students of other local schools in order to plan weekend activities. The dances sponsored by this organization are always popular. Perhaps the most important is the dance at Homecoming. The Sadie Hawkins dance in the spring gives the girls a chance to assume the role of the pursuer. The Junior Rec Board plays an important role at Coffee.

Buker Young, Mike Carter, Greg Phillips, Bart Tate, Nancy Patterson, Bingham Hardie, Patti Christenson

Bonnie Blues

Students who participate in the Junior Red Cross work as Bonnie Blues in the local hospitals. They write letters for patients, run errands, and try to make the patients happier and more comfortable.

Future Medics

The Future Medics Club consists of those students who plan for a career in the field of medicine. They gain invaluable experience while they engage in civic activities centered mostly around the hospital and the Red Cross.

F.T.A.

The Future Teachers of America are students who are interested in the teaching profession. They learn to use special techniques to teach children.

Debbie Simpson—President, Debbie Nelson, Laura Brown

Key Club

During the school year, the Key Club sponsors many activities. In the months of December and March they attended the fall and spring rallies during which they discussed the progress of the club. In april they attended the state convention in Mobile. The club has really gotten into full swing this year and it will be even better next year.

I.C.C.

The Young Men's Christian Association is an active group at Coffee. The high ideas for which the YMCA is known are carried out as its influence of maintaining Christian ideals is spread to home life and the community in addition to the school.

Working under the seal of the YMCA are the Hi-Y and Tri-Hi-Y programs at Coffee. The Inter-Club Council serves as a vital factor in the program. The work of all the units is to be a responsible part of the youth programs to help not only the school, but the community and the individual as well. Members strive to promote a Christian attitude that will always remain with the students.

Stimulator Carries on Coffee High Tradition

Pressure! Pressure! Deadline is Friday at one o'clock. Have all your copy in by then. Ads, typing, proofreading, laying-out a page. These are all the pains of a newspaperman. Who else knows the feeling of having to write a news item in ten minutes? The success depends on each individual newspaperman and the total of these individuals is a newspaper that only they can have the satisfaction of knowing how good it feels to serve his school through the Stimulator.

The 1971 Annual Staff

Time: In the late hours of the night.
Place: The cozy little annual room.
Setting: Everyone looking for this or that photo—in other words, a mess.
Atmosphere: Clicking typewriters and tense editors.

What's happening? The 1971 Annual Staff is trying to meet another deadline and hopefully they'll make it. What urges these ten or fifteen students to give up every little bit of their spare time and devote it to constructing a remarkable book of memories? Pride in Coffee High and pride in the Coffee Pot is the chief answers. For their superb work the 1970-71 Annual Staff should be congratulated.

Cheerleaders

Undying loyalty to Coffee is the trademark of the Cheerleaders as they spread enthusiasm and school spirit. The peppy group cheer loud and long as they lead the students in supporting Coffee's teams. Through the efforts of this energetic group the bonfires and pep rallies provided thrills we will never forget. A part of the pride and spirit of our cheerleaders will remain with each of us always; a part will remain at Coffee as an integral part of the school.

"Oh no! I lost my tassle!"
"I don't know the routine!"
"Where's my baton?"
"I'M SCARED!"

Then the whistle blows and somehow the smiling, high-stepping majorettes fall in line. Few people realize the months of practice that go into the performances of those who march in front of the band. Constant work during the summer preceeds the flashy performances given at football games. Spectators were delighted this year when Fire Batons were used in one of the half-time shows.

The Coffee High School Chorus

Not many organizations enjoy practicing as much as the Coffee High School Chorus. Amid flying music copies, violent threats, and utter chaos, sits about sixty smiling faces. This group travels around Florence singing for the various grade schools and civic clubs.

At the end of the year, the combined choruses of Coffee and Bradshaw present a musical featuring the students' singing and dancing abilities.

Mr. McClure gazes intently at the game while the band cheers the players on to a victory.

Drum Majors—Buddy Price and Leonard Thompson survey the band as they line up for one of the parades.

"Here comes the band!" These are words that cause a tingle of excitement whether they are spoken at a football game or at a street parade. All eyes turn toward the sound of the music, and pulses beat a little faster as the colorful, marching band plays zestful music.

Coffee's smart band puts on entertaining shows during half-time at football games. A big thrill is added to touchdown plays when the band strikes up the familiar "Coffee will shine."

There is much practice that goes into the splendid performances of the band. There are phases of the practice field students will never forget, like "Guide right" . . . "Watch the dynamics!" . . . "Keep those lines straight" . . . "Louder, louder." Then there's the absolute agony one minute before halftime, frozen horns, stiff and frozen fingers, and fright as each musician feels he is putting on an individual show—or will be if one wrong note is hit or a wrong step made.

After the football season, the band easily converts to a concert band and prepares for the annual concert. Also, there is practice for the various contests, the District Contest, All-State Contest, and the Ensemble Contest.

When the going gets hard and the task seems impossible, Mr. Mac is always there, patient and dedicated, to take care of all the problems and makes the job of mastering every note, a task that can be accomplished.

Mr. Mac has set standards high for his musicians, both morally and musically. His interest in each student as an individual has brought him respect from the students.

Members of the band gain knowledge and develop ability in music they will have with them all the rest of their lives. They also gain much more in their relationship with Mr. Mac, and that includes a desire to live a dedicated life that will be respected by others.

Before any team can become a consistent winner, it must first go through what is known as a building year. This was that type of season that Coffee had.

The team itself was extremely young. And young teams often make mistakes. In fact, there were only four seniors on the squad, and two of these key players were able to play only half a season due to injuries.

The Yellow Jackets record on the year was 7-17. Yet there were only a very few games in which Coffee was soundly beaten. In most games, the Jackets were right in the thick of the battle down to the last minute. However, late game mistake cost the Jackets several victories they deserved. One game pretty well typifies the type season Coffee had. The game was against the Decatur Red Raiders, defending 4A state champs. The Jackets led the stunned Raiders for three quarters and six minutes. But again, miscues let the Raiders take a heart-breaking win. On the winning side of the ledger, Coffee beat Sheffield three times during the course of the season, a feat that very few teams accomplish. The team also did well in the Quad-Cities and Regional Tournaments.

Coach Tommy Suitts did a superb job in his first year as head coach of the Jackets. He whipped the team into probably the finest defensive team in the area.

Next year the Yellow Jackets will have seven players from the varsity of this year returning, plus some members of this year's fine B-team. The old cliche, wait till next year, take on new meaning when applied to Coffee's basketball team.

The Jackets . . .

In the pre-season of the 1970 football season Coffee fans noticed a promising team. And as the season began and Coffee forced its initial test, Sheffield, it was the victor. The Jackets won their first game by edging over Sheffield 25-21. The rest of the season was a story of bad breaks and bad luck. The offensive and defensive team played sometimes excellent games, but on different nights. They just couldn't get together. The following weekend Coffee faced Austin and the Black Bears had to fight for their lives as they skimmed Coffee 14-12. Deshler and Russellville were Coffee's foes for the next weeks, but the Jackets just couldn't get back on the road as they dropped both games by scores of 14-0 and 14-7 respectively. Next, the Jackets traveled to the Rocket City to tangle with the rowdy Crimson Panthers, who at that time had one of the best teams in the state. Coffee fans witnessed an unusual game that night as their team was credited with 115 yards in penalties, 90 yards in the fourth quarter. On the field, the Jackets almost upset the Panthers in a brilliant defensive game. However they fell 10-3. The next games were mostly the same story. Bad breaks and Luck continued to plague the win-hungry Jackets. The lost decision to Decatur, 24-13; Athens, 43-24; Walter County, 21-12; and Butler, 44-28.

Then came the key game, Bradshaw. The rest of the season was put aside and only the Bradshaw game mattered. There was a sort of fear in the minds of many Jackets fans during the week before the game. It was a fear caused by an earlier loss to Bradshaw the year before. That Friday night all fears were removed as the Jackets finally put it all together and whipped the Bruins. Although Coach Moore cleaned the bench, Coffee easily routed their rivals 36-15. Yes, it was a great night for the Jackets. But it had been a tough year for the Jackets, but they kept fighting. Those fans who followed the season carefully know that there were only two games in which Coffee really lost by a measurable amount: Athens and Butler. In the other games a recovered fumble or an intercepted pass could have easily turned the game around because with a touchdown or two Coffee could have easily been victor. But now the season is over, it's time to look forward to the years to come and hope for better times. As we look back over the season, still we say that this year was unforgettable.

To a great guy whom I personally have come to respect. I planned for remember all the hell we raised on the wrestling team, also who was a great cousin who can't make up her mind. So we'll see you next year.

WRESTLING

This year Coffee High wrestled their way to third place in the TVC. Six wrestlers from Coffee placed in the TVC Tourney. They are: Danny Hendrix 4th: Joe Keenum 4th: Freddy Crittendon 4th: Walter Bailey 2nd: Ed Burrows 2nd: and Jim Powell 2nd place. The other members on the team were outstanding also and we believe that the team will be even better next year.

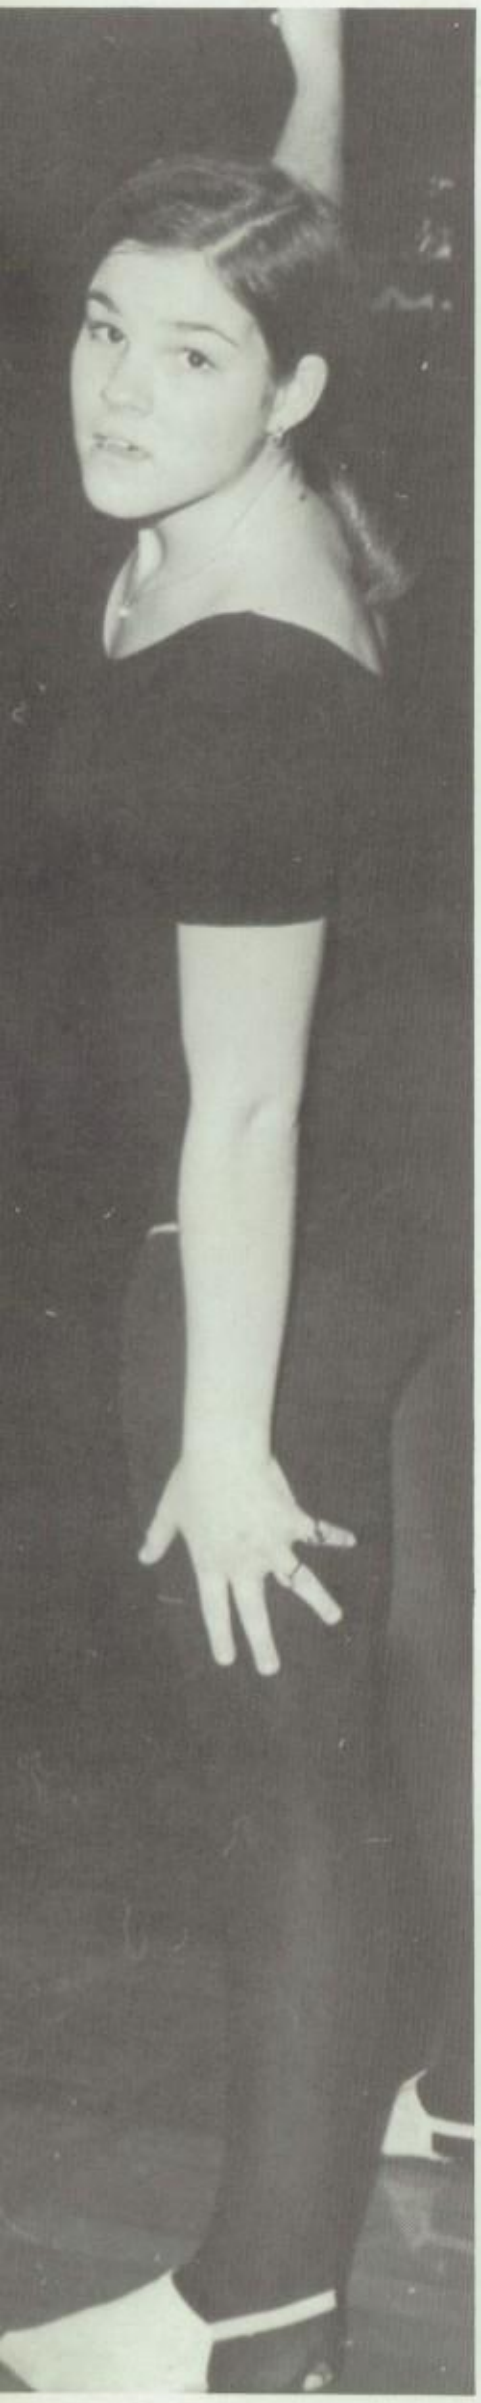
SWIMMING

On Board: Sherry Hannah, Olin Mefford, Lee Childers, Don Holt. Standing: Carter Rogers. Seated: Debbie Looney, Britt Posey, and Tommy Ward.

Although the swim team doesn't make their appearance in a contest until April, they are still busy practicing. The team members practice the different styles of swimming including the freestyle, butterfly, backstroke, and breaststroke. Being a small team, the members know that they must work extra hard to fullfill all of the different styles of swimming. Despite the fact that students have little interest in swimming, it is a sport that needs more recognition.

This year the swim team added new members. This proves that swimming is coming on the scene and in the years to come, the team should become larger.



GYMNASTICS

Twenty-three girls worked strenuously all year limbering and strengthening in order to have the coordination it takes to do Floor Exercise, Balance Beam, Uneven Parallel Bars, and Side Horse Vault. The gymnastics class had a brand-new experience this year—aerials (stunts without hands). Several programs were given at various times, and as a real treat, we saw a program by some members of the U.S. Olympic Women's gym team in Tuscaloosa.

BASEBALL TEAM

The 1971 edition of Coffee's baseball team has one thing going for it—experience. Seven seniors and four juniors, all lettermen, are returning hoping to produce a real fine team. The returning team looks like this: infield—Jimbo Townsend, Danny Looney, Frank Billingham, Ronnie Pannell, Steve Haddock, Jeff Stewart, Leslie Littrell and Charlie Anderson; outfield—Steve McGuffey, Jimmy Womble and Jeff Murner; pitchers—Steve Haddock, Jimbo Townsend, Jeff Murner, Jimmy Womble, and Steve McGuffey.

The return of a former Coffee baseballer, Ken Staggs as coach should bring added pride and a lot of hard work. Long hours of practice are required of a Coffee starter but to be a starter is well worth working for.

REMEMBER

36-15

To Mark,

A great kid who could improve in wrestling, football, and throwing eggs. Good luck and don't get caught.

Skip

This is placed in memory of W.I.N.O.

D. Mark,
It was nice having you in algebra this year. Good luck thru the summer.
Danny

Dear Mr. Clues
You are a cute person and sweet. Love, Heather
Your friend
Tish

To Mark: I hope you can improve in wrestling you need it (Ida; Ha). You are a good friend and I hope I have some classes with you next year. Do you this Summer.

Jeff

(I ENJOY WRESTLING YOU EVERY DAY)

J. Marks

To my Life Long Friend or I thought you were until you wrote in my Annual. Besides why don't you go see Sharon sometimes Now that you finished with Judy K. Lover Boy. See ya Round If you don't have another wreck and kill yourself (But We couldn't Be that Lucky) Well Smart Boy Come over sometimes If you don't have anything Else to do.

Good or Bad Luck with Judy

Hendrix Danny
